Dear Honorable Judge Furman,

Pursuant to your order dated March 20, 2019, please find attached as exhibits, including but not limited to screenshots of a Google Review comment left by Diguo Jiaoyu and Kimi Zhang, along with screenshots of various other comments left by fictitious names at the same time of Defendants' comments. This spam of comments was reported to Google and was ultimately removed. Therefore, only a few screenshots remain and is hereby submitted as exhibits.

I have also attached harassment messages sent from Defendant to my material witness to intimidate and threaten her.

Specific description is attached to each exhibit.

Kindly review the exhibits submitted and order Defendants to cease such actions moving forward. Thank you for your time and consideration in this matter.

Best regards,

King Lun Wu
